CHAPTER I - GENERAL REGULATIONS

1 AIM

[GR]

1.1 The object of Wildwater Canoeing is to demonstrate a competitor's mastery of his/her boat in fast moving white water, while running a prescribed course in the shortest possible time.

1.2 Races considered to be Wildwater Canoeing are those held from a point upriver to a point downriver. A river can be one that is natural, modified or artificial and must be at least class III in difficulty.

2 INTERNATIONAL COMPETITION

[GR]/ [TR]

2.1 All competitions announced as international shall be governed by the rules of the ICF.

2.1.1 Competitions organised by a Federation or its affiliated associations are always regarded as international if foreign competitors are invited and participate.

2.2 An international competition must be supervised by at least one judge who holds a valid card as an International Judge Wildwater Canoeing (IJWWC).

2.2.1 These officials are appointed by the Chair of the WWCC from nominations submitted by the organisers.

2.2.1.1 Room and board for these officials is paid for by the organising Federation.

2.3 International Competitions:

International Competitions are open to all Federations. The number of competitors is determined by the organiser or is open.

Some international competitions may be used in the World Ranking.

2.3.1 The start order for international competitions is taken from the current World Ranking.

2.4 There are three types of ICF competitions:

- World Championships
- Junior World Championships
- World Cup

3 COMPETITORS

[GR]

3.1 Only the members of Clubs or associations affiliated with an ICF National Federation have the right to participate in an international competition.

3.2 A competitor is always allowed to take part individually in an international competition but must in each case obtain special permission from his National Federation.

3.3.1 A Competitor may take part on behalf of the Federation in a foreign country in which he is domiciled, if he/she obtains the authorisation of his/her Federation of origin. This authorisation has to be sent before 30th November prior to the year concerned to the ICF Headquarters with a copy to the Chair of the Wildwater Canoeing Committee. The same procedure applies, should the Competitor change back his/her starting right to the Federation of origin.

3.3.2 If he has lived for 2 years or more in this foreign country, the approval of his Federation of origin is no longer required.

3.3.3 A competitor may not compete for more than one Federation in any one calendar year in the sport of canoeing. This rule does not apply in the case of a competitor who leaves his country of origin to marry in another country. He can, in this case, compete for his new Federation without awaiting the delay of 2 years.

3.4 The first year, a junior competitor can compete is the year that his 15th birthday falls in and the last year he may compete, as a junior is the year that his 18th birthday falls in.

3.5 Each National Federation shall ensure that their competitors are in a good state of health and fitness which allows them to compete at a level commensurate with the competition level of the particular event and ensure each competitor, team official and the member

federation carries appropriate health, accident and property insurance covering their persons, equipment and property.

4 INTERNATIONAL COMPETITION CALENDAR

[GR]

INTERNATIONAL COMPETITION CALENDAR is different to the ICF COMPETITION CALENDAR (ICF events only)

4.1 Only a National Federation may apply an event to enter the International Competition Calendar. Only members of the ICF may apply for of events to the Calendar.

4.1.1 An application will be made using a form established by the ICF and published on the ICF website.

4.1.2 By the 1st of January the year before, the calendar of ICF Competitions (WCh and WCup) will be published. The deadline for applications for international events will be the 1st of March the year before (2 months after the publication of the ICF Competition Calendar).

4.2 The Competition Commission will approve the complete calendar of competitions. Once approved the Calendar will be final.

5 MINIMUM PARTICIPATION

[TR]

5.1 An individual or a team category cannot take place unless at least 3 competitors or 3 teams from 2 different Federations start in that category.

5.2 It is not necessary for the validity of the competition that all 3 competitors or all 3 teams finish.

CHAPTER II - CATEGORIES - BOAT CONSTRUCTION - TRADEMARKS

6 CATEGORIES/ K1M, K1W, C1M, C1W, C2M and C2W [GR]

6.1 Individual Classic Events:

Women	K1
Men	K1
Women	C1
Men	C1
Women	C2
Men	C2

Individual Sprint Events:

Women	K1
Men	K1
Women	C1
Men	C1
Women	C2
Men	C2

6.1.1 A competitor may only participate in one single individual event in classic races and one single individual event in sprint races.

6.2 Team Classic and Team Sprint Events

Women	3 x K1
Men	3 x K1
Women	3 x C1
Men	3 x C1
Women	3 x C2
Men	3 x C2

6.2.1 Teams may only be comprised of competitors who are participating in individual events.

6.2.2 A competitor may participate in a single team category in either Classic Races and/or one team category in Sprint Races.

6.2.3 A competitor may participate in a team category different from his/her individual category.

6.2.4 In International competition there may be, at the organisers' discretion, Junior events in any or all of the above events.

6.2.4.1 Only one boat of a team may be substituted.

6.2.4.2 This change must be communicated to the Starter in writing.

7 BOATS-PADDLES-ACCESSORIES [GR]/ [TR]

7.1 Boat Specifications

7.1.1 All types of K1:
length 4.50m maximum width of hull 0.60 m minimum

All types of C1:
length 4.30m maximum width of hull 0.70 m minimum

All types of C2:
length 5.00m maximum width of hull 0.80 m minimum
The seam joining the hull to the deck can be considered to be part off the hull for measurement. No extra components shall be added to the boat to enhance the dimension.

7.1.2 Minimum Weights of Boats (the minimum weight of the boat is measured when the boat is dry)

All types of K1:11 kg

All types of C1:12 kg

All types of C2:18 kg

Note: The air bags to be taken as being part of the boat. The spray deck is considered to be an accessory and not part of the boat.

7.1.3 Rudders are prohibited on all boats.

7.1.4 Boats must be designed to, and remain within the required dimensions.

7.1.5 Kayaks are decked boats which must be propelled by double bladed paddles and inside which the competitors sit.

Canadian canoes are decked boats which must be propelled by single bladed paddles and inside which the competitors knees.

7.1.6 Boats may have only a single keel line, with a single bow and a single stern.

7.2 Trademarks and emblems

7.2.1 Boats, accessories and clothing may carry trademarks, advertising symbols (with the exception of tobacco products), emblems and words.

7.3 Requirements for ICF Wildwater Canoeing Competitions

7.3.1 The guidelines for any advertising material carried on the clothing and equipment of paddlers should be as follows:

7.3.2 All advertising material should be placed in such a way that it does not interfere with competitor's identification and does not affect the outcome of the race.

7.3.3 The advertising of tobacco smoking and strong spirit drinks will not be accepted.

CHAPTER III - RACING ORGANISATION AND REGULATIONS OF THE COMPETITIONS

8 OFFICIALS

[GR]/[TR]

Depending on its nature and importance, an International Wildwater Canoeing Competition is managed by the following officials:

8.1 Competition Committee

8.1.1 Every international Wildwater Canoeing competition must have a Competition Committee consisting of 3 members.

Members of the Competition Committee must be IJWWC.

The members of the Competition Committee are named by the organising Federation on the basis of nominations received from the participating Federations.

A participating Federation may not have more than one Competition Committee representative.

The Representative of the organising Federation shall preside over the Competition Committee.

8.1.2 The Competition Committee receives protests concerning non-observance of the rules of competition and makes the final decision in the event of disagreement concerning interpretation of the rules.

Decisions of the Competition Committee must be in accordance with ICF rules.

The Competition Committee may disqualify a competitor for the entire duration of the competition.

The Competition Committee decides on all questions raised during the competition that are not covered by the rules.

In the event of a tie vote, the Chair of the Competition Committee decides.

8.2 Officials (GR)

International competitions are to be supervised by:

- 1) Chief Official
- 2) Technical Organiser
- 3) Chief Judge
- 4) Section Judge
- 5) Starter
- 6) Pre Start Controller

- 7) Finish Judge
- 8) Time Keepers
- 9) Boat Controller
- 10) Safety Officer
- 11) Medical Officer (only for World Championships)
- 12) Media Officer (only for world Championships)

8.2.1 Officials 1, 2, 3, 4 must be IJWWC.

8.3 The examination for International Judges (IJWWC) requires that the following conditions be met:

8.3.1 Examination:

1. Examination Organization

- Officials Examination is organised at every World Championships if there is sufficient interest.
- In case out-of-World Championships examinations, only Continental Associations or National Federations are entitled to apply to hold an examination. This is done together with the application for the Competition Calendar using a form established by the ICF and published on the ICF website.

Application deadlines are the same as for the International Competition Calendar. The Examination Calendar is published on the same date as the International Competition Calendar.

2. Examination Candidates

Only National Federations are entitled to nominate candidates for examination at least 30 days before the examination.

The applications must be sent to the ICF Headquarters on the special form designed by the ICF and published on the ICF website. ICF Headquarters is forming a database and forwarding the list of names to the Respectful Committee Chair.

3. Examination Procedure

A sub-committee consisting of two members, appointed by the ICF Technical Committee Chair, will hold this examination.

The examination will be carried out in English language for officials who wish to be considered as officials for ICF Competitions and will be based on the knowledge of the ICF Statutes, the ICF Competition Rules and practical experience.

If people take the examination in one of the other official languages, they may not be considered to officiate at ICF Competitions.

4. Officials' Cards

After completion of the examination the Respective Chair completes the ICF Official Examination Report and sends it to the ICF Headquarters, where the Official's cards for those who passed the exam are issued and sent to the National Federations.

5. Validity and Renewals

Validity and renewals are subject to the Technical Chairs' criteria.

8.3.2 Financial Responsibility

National Federations are financially responsible for their Officials (before and after the examination).

For every candidate applied for the examination, a National Federation will be charged 20 €. Total Invoice will be sent to a National Federation in the period between 30 October and 30 November for the current year.

If a National Federation is applying for an examination out of World Championships, the Federation concerned will cover the examination organization costs including living and travelling expenses of the examiners.

8.3.3 Nomination and Appointment of the Officials for ICF Events

Only National Federations are entitled to nominate Officials for ICF Events.

The deadline for submitting proposals is the 1st of January in the year of the event.

The nominations are submitted to the Respective Technical Committee Chair (with a copy to the ICF Headquarters). The Chair will present a list of Officials to the Competition Commission for their approval by the 1st of March.

9 DUTIES OF OFFICIALS

[TR]

9.1 The Chief Official directs the competition according to the rules.

9.2 The Technical Organiser is responsible for:

Local preparations for, and conduct of, the entire competition

The installation and proper functioning of technical equipment required for the competition.

9.3 The Chief Judge must assure that the competition is run correctly in keeping with the Competition Rules. He interprets the competition rules and may disqualify a competitor or grant a rerun.

9.3.1 The Chief Judge must submit a report to the ICF Secretary General and to the Wildwater Canoeing Committee concerning the running of the competition.

9.4 Section Judges are responsible for the portion of the course to which they are assigned.

9.5 The Starter assures that the competitors are in the correct order and gives permission to start.

He can refuse to start a competitor if the competitor:

- Fails to respect the safety rules.
- Fails to present himself at the start at the moment indicated after having been called.
- Is not properly dressed, has no start number or does not follow the Starter's orders.

9.6 The Pre Start Controller confirms that both the competitor's boat and personal attire meet the safety rules (safety helmet, buoyancy jacket and boat). See Rule 18.

He checks the boat carries marks approved by the Boat Controller.

He prohibits the departure of competitors and of boats that do not meet safety requirements.

Any time lost because of the above goes against the competitor.

9.7 The Finish Judge determines when a competitor has finished the course and coordinates with the Starter.

9.8 The Timekeepers are responsible for keeping the exact time.

9.9 The Boat Controller assures that the dimensions and the weights of the boats in the competition conform to the rules. He marks them accordingly. He also ensures that the boats and buoyancy jackets conform to Rule 18 and may mark them.

He may advise on the conformance of boats, paddles, clothing and accessories to Rule 7.2.

The boat controller may refer concerning the safety of equipment (including the boat) to the chief judge.

9.10 The Safety Officer, together with the rescue squad and according to the circumstances, rescues competitors who have capsized.

He must have available the necessary safety and first-aid equipment to use in the event of a serious accident, and he must render effective assistance to a competitor in difficulty.

A physician must be continuously available.

9.11 An official may assume two or more functions. No official may call to or in any other way give technical advice to a competitor while on the course.

10 INVITATIONS

[GR]

10.1 Invitations to an International Wildwater Canoeing Competition must be sent 3 months before the competition and must contain the following information:

- The date, place and type of competition
- A description of the course
- Training dates when rescue teams are present.
- The approximate hour and order of the starts of the runs
- The categories
- Details of the nature of the course and character of the water (difficulty rating)
- Safety measures
- The address to which entries should be sent
- Amount of entry fee, if any
- The final date for entries
- List of challenges, prizes and conditions under which they are awarded

11 ENTRIES

[GR]

11.1 Entries to an international competition must be made by a Federation according to the instructions given in the invitation.

An entry must contain:

- Name of the Federation or Club to which the competitors belong
- First and last name, start group for each competitor

- The categories in which the competitors or teams wish to take part
- The first and last name of team manager, IJWWC and other personnel

11.1.1 Entries may be made by telegram or facsimile if they have been sent by midnight of the deadline date. These entries must be confirmed immediately in writing.

11.2 The deadline for nominative entries shall be 14 days prior to the first day of the competition.

11.3 Late entries will not be accepted.

12 ACCEPTANCE OF ENTRIES

[TR]

12.1 The organising Federation must acknowledge receipt of the entries within 2 days.

13 THE START ORDER

[TR]

13.1 In the individual events starts will be in reverse order of Current World Ranking.

Where a competitor is not in the current ranking, then he will start at the beginning of the category.

In Junior categories, the start order is based on the reverse order by Federation at the previous Junior World Championships.

13.2 In the team events the starting order is taken from the average results of the best three competitors of each Federation in each category, from the Classic Race and from the sprint races respectively. The starting order is the reverse order of these average results. In anomalous cases the team/s will start at the top of the list.

14 COMPETITION PROGRAMME

[TR]

14.1 At least 24 hours before the beginning of the competition, a final programme must be available to each participating Federation, giving the name of the

participants with their Federation or Club, as well as the result of the draw.

14.1.1 In organising the programme, the following principles should be followed:

The individual categories are run before the team categories.

The runs of an individual category must be completed during a single day.

The order of the races announced in the invitation, and the intervals between races announced in the programme of competition are binding on the organisers.

Modifications may not be made unless the majority of the team managers give their approval.

Sprint Races may be held on one or two days. For those held over two days, it is preferable that two categories run their two legs of the race the first day, and the two other categories the next day.

15 ALTERATION AND WITHDRAWAL OF ENTRIES

[TR]

15.1 Announcement of changes or withdrawals must be made during the team managers' meeting, or in writing at least 1 hour before the first race of the programme on the day of competition.

15.1.1 Withdrawal of an entry is final and re-entry of the same competitor or team is not possible.

15.2 Any change of entry must be communicated to the Starter in writing.

16 START NUMBERS

[TR]

16.1 Start numbers must be supplied by the organisers.

16.1.1 The number figures must be at least 15 cm in height and 1.5 cm in thickness.

16.2 They should be fixed visibly to the body of the competitors.

In C2 the bowman wears the number.

16.3 Each competitor is responsible for his start number.

17 INSTRUCTIONS TO TEAM MANAGERS [TR]

17.1 Each team manager must receive, at least 5 hours before the beginning of the competition, written directions concerning the following points:

- A list of the start orders
- Detailed timetable
- Time that the course opens
- Starting time
- Position of the starting line
- Position of the finish line
- The interval between starts
- The signal used by the Starter to give the start, and that employed by the Judges to clear the course (whistle)
- Place where the competition office and the Jury (only at World Championships) may be found
- The time and place for the inspection of boats
- Manner in which the boats are to be transported from the finish back to the start, if appropriate
- Regulations concerning training
- Place for Anti-Doping Control (when required)

17.2 A meeting of the team managers from each participating Federation must be held at least one (1) hour before the start of the official training. The following points should be discussed:

- Additional instructions to competitors
- Approval of the course
- Changes and/or withdrawal of entries

18 SAFETY MEASURES [TR]

18.1 All boats must be made unsinkable (stability walls can be added to complement the flotation devices) and be equipped at each end with a handle attached no more than 30 cm from the bow and from the stern.

18.1.1 The following are considered as handles: loops of rope, with handles, or rope running the length of the boat from stem to stern, or a handle that is an integral part of the boat construction

18.1.2 The handles must at all times permit easy insertion of a template which measures 10cm x 10 cm x 1.5cm.

18.1.3 The material used must be at least 6 mm in diameter, or a minimum cross-section of 2 x 10 mm.

18.1.4 Taping of the handles is not permitted.

18.1.5 All boats must be fitted with air bags in both the front of the boat (in front of the foot-rest) and the back of the boat (behind the seat). The minimum total volumes capable of being contained in the air bags are to be as follows:

Front Back

K1 30 litres 50 litres

C1 40 litres 50 litres

C2 60 litres 60 litres

The volumes will be taken from the manufactures stamp on the air bags. In case of dispute, the first decision shall be taken by the Boat Control Judge and the second decision if appealed by the Jury.

18.2 Each competitor must wear a fastened safety helmet, a buoyancy jacket (buoyancy aid) and shoes as described below:

18.2.1 A buoyancy jacket (buoyancy aid) shall consist of non-absorbent flotation material equally distributed, front and back, in a jacket or vest worn about the upper torso. It must have buoyancy sufficient to float a 6 kg legalised lead weight or its equivalent in other metals, and should be designed to keep a conscious person floating in a face-up position in the water.

18.2.2 Each competitor must wear a fastened safety helmet with the chin-strap under tension at all times which is designed to protect the forehead, temples and ears.

The helmet shall at least comply with the Standards applicable in the country where the competition held.

18.2.3 All paddlers must wear the shoes on their feet. The shoes must have a thicker sole to protect the feet. The shoes must fit in such a way that they will not come off in a capsize or be released from a boat.

18.3 It is recommended that organisers spot-checks at both start and finish to ensure conformance with rules 7, 18.1 and 18.2.

18.3.1 In doubtful cases, buoyancy of the boat is checked. The boat must float level at the surface when filled with water.

18.4 Competitors must be able to free themselves immediately from their boat at all times.

18.5 In the event of non-observance of the safety rules, the Starter, the Pre Start Controller, the Boat Controller and the Chief Judge each, according to their assigned duties, are responsible to prohibit a competitor from starting.

18.6 In any event, competitors start at their own risk, neither the ICF nor the organisers bear responsibility for accidents or damage to equipment that may occur on the competition course.

19 COURSE

[TR]

19.1 The course must be from a point upstream to one downstream.

The course must be navigable for its entire length, always allowing easy passage for the boat. Two course types are possible:

1. Wildwater Canoeing Sprint Race
2. Wildwater Canoeing Classic Race

19.1.1 The Sprint Course can vary from 300m to 600m. The starts are individual type, and/or Team.

Results will be determined by adding the times of the two runs.

19.1.2 The Wildwater Canoeing Classic course is less than 30 minutes. The starts are individual type, and/or Team.

19.2 At the Team Managers meeting before the beginning of the competition, the course must be approved by a simple majority of those present. If the course is not approved, the competition may be moved to an alternate course.

19.2.1 K1W, C1W, C2W and Juniors may have a shortened course if a majority of Team Managers so demand.

19.3 Dangerous passages may be marked with gates to indicate the correct channel.

19.4 Portages are not allowed.

20 TRAINING

[TR]

20.1 Training runs must be provided at least one day before the competition and under the same technical conditions that will prevail during the competition.

The water level during the official training must, except for circumstances beyond control, be the same as during the competition.

The running time may be recorded and posted during training runs.

20.2 Once the bibs are distributed to each Federation, it is mandatory that all athletes wear them when training or racing.

21 START

[TR]

21.1 Starts may be directly upstream or downstream.

21.2 Each boat must be held at the starting position until the start by an assistant to the Starter.

21.3 Only standing starts are permitted. The start will be indicated by an audible signal.

21.3.1 For a team start all boats are released at the audible start signal, all competitors must pass through the start line within 10 seconds of the release.

Definition of a start line:

In the case of a gate, the passage is through the gate;

In the case of crossing a river beam, it is the line between the beams.

21.3.2 In any case, any special instructions of the starter must be adhered to.

21.4 Categories may be started in any order with an appropriate time interval between categories.

22 START ORDER

[TR]

22.1 *Wildwater Canoeing Sprint*

22.1.1 For each Wildwater Canoeing Sprint events each category will have a definite start time for each run.

22.1.2 The individual start times within each category will be variable and as directed by the starter at the time of starting.

22.2 *Wildwater Canoeing Classic*

22.2.1 In individual categories the starts are separated by at least 30 seconds.

22.2.2 In team categories starts are separated by at least 1 minute.

22.3 The start intervals are normally the same for the entire competition. Intervals may be varied to accommodate Television live coverage etc.

23 FALSE START

[TR]

23.1 Only the Starter is qualified to determine that a false start has occurred and to recall the competitor by means of an appropriate signal.

23.2 The Starter determines if a second start is given and notifies the Chief Judge.

24 FINISH

[TR]

24.1 The finish line must be marked very clearly on both sides.

24.2 A competitor's run is complete when he crosses the finish line. He must not cross the finish line more than once at the risk of disqualification.

24.3 In the team event all 3 boats must cross the finish line within 10 seconds of each other.

25 CLEARING THE COURSE [TR]

25.1 Any competitor overtaken by another competitor shall allow the overtaking boat free passage if the overtaking competitor shouts "FREE".

26 RESCUE OF A COMPETITOR IN DANGER [TR]

26.1 Since Wildwater Canoeing competition is as much a contest against the elements as against other competitors, it is required that any competitor finding another in real danger, must immediately render him rescue assistance at pain of disqualification for life.

27 LOSS OR BREAKAGE OF PADDLE [TR]

27.1 When a competitor breaks or loses his paddle, he may use only the extra paddle carried on his boat.

27.2 For team runs, an extra paddle may be borrowed from another member of the team.

28 CAPSIZE [TR]

28.1 A competitor may get back in his boat after a capsize and continue the competition.

29 TIMING [TR]

29.1 The time of a run is measured from:

The time that the competitor's body first crosses the starting line to the time when the finish line is broken by the competitor's body (in C2, the first body that crosses the line).

In team racing, the time is measured from the departure of the first boat until the arrival of the last boat.

29.2 Timing of each run for each Race must be accurate to at least 1/100th of a second, and the results must be reported to the nearest 1/100th of second.

30 POSTING OF RESULTS

[TR]

30.1 As soon as the results for a competitor or team are known, the start number and the time of the run should be announced and must be posted in the designated place until the time for filing protests has elapsed.

31 DEAD HEAT

[TR]

31.1 In the event that two or more competitors or teams obtain the same score, a tie is declared.

32 PROTEST

[GR]

32.1 A protest is considered only when:

- The Team Manager submits it in writing
- It is submitted no more than 20 minutes after the official posting of the results for the last competitor in the category.
- It is submitted personally to the Chief Judge and is accompanied by a deposit of 25 Euros, or the equivalent in the currency of the country organising the competition. The deposit is returned if the protest is upheld. If the protest is not upheld, the deposit is turned over to the Organising Committee of the competition.

32.2 A protest can be lodged against a decision of a judge:

- For a decision that is probably or manifestly erroneous.
- For obvious irregularity in the conduct of the competition

32.3 The Chief Judge evaluates the legitimacy of a protest. He listens to the testimonies of the Judges and informs himself of any other matters in dispute. The Chief Judge transmits his decision in writing.

32.4 At the discretion of the Chief Judge, inquiries into matters of fact or technical errors may be dealt with as simple inquiries (with no fee).

33 APPEAL TO THE COMPETITION COMMITTEE

[GR]

33.1 An appeal to the Competition Committee must be made in writing by the Team Manager.

33.1.1 An appeal to the Competition Committee must be accompanied by a deposit of 25 Euros, or the equivalent in the currency of the country organising the competition. The deposit is returned if the appeal to the Competition Committee is partially or totally upheld. If the appeal to the Competition Committee is not upheld, the deposit is turned over to the Organising Committee of the Competition.

33.2 An appeal to the Competition Committee against a decision of the Chief Judge can be made when it appears that there is a contradiction with the rules of competition.

33.2.1 Items of fact cannot be contested by an appeal to the Competition Committee.

33.2.2 An appeal to the Competition Committee against a decision made by the Chief Judge during the running of the competition can be submitted at the latest, 20 minutes after the latter has announced his verdict.

33.3 An appeal can be made to the Competition Committee protesting the right of a competitor to participate in a competition if this protest has been given to the Competition Organiser at least an hour before the beginning of the competition, but no decision has been made on the subject.

33.4 An appeal to the Competition Committee against a decision on the right of a competitor to participate in a competition can be made until the beginning of the competition.

33.5 The Chair of the Competition Committee must immediately reconvene the Competition Committee if a legitimate appeal needs to be dealt with.

33.5.1 The Competition Committee must make its own decision known within 60 minutes after the commencement of the meeting.

33.5.2 The decision of the Competition Committee is indicated with justifying arguments in writing to the complainant.

33.6 The Competition Committee should consult the Chief Judge, the Judges and other officials in order to obtain the necessary information to come to a decision.

34 APPEAL TO THE ICF BOARD OF DIRECTORS

[GR]

34.1 A participating Federation can appeal to the ICF Board of Directors if, after the end of the competition, new facts become known that would have prohibited the participation of a competitor.

34.2 A competitor has the right to submit through his/her Federation an appeal to the ICF Board of Directors against a decision of the Competition Committee at the competition.

34.2.1 The ICF Board of Directors determines priority to give to this proposal.

34.3 An appeal to the ICF Board of Directors must be:

- Settled within 30 days following the end of the competition in question.
- Accompanied by the same deposit defined in Rule 33.1.1.

34.4 The ICF Board of Directors makes its decision and addresses it in writing to the complainant party.

35 DISQUALIFICATION AND ELIMINATION [GR]

35.1 A competitor who attempts to win a competition by irregular means, who breaks the rules, or who

contests their validity, is disqualified for the competition.

35.1.1 If a competitor is forced to break the rules by the action of another person, the Competition Committee decides if he will be disqualified or not for the competition.

35.2 If a competitor starts in a boat, which does not conform to the rules, he is disqualified.

35.3 A competitor who accepts outside assistance can be disqualified by the Chief Judge after the latter has been informed by the official judging the situation.

35.3.1 In the spirit of this article, the following is considered as "outside assistance":

- All aid given to a competitor or to his boat
- Giving, passing, or throwing to a competitor a spare paddle or his original lost paddle
- Directing, pushing, or placing in movement a boat by anyone other than the competitor himself
- Giving directions to competitors by means of electro acoustic apparatus or radiotelephone (e.g. radiotelephone between the competitor and any other person)

35.4 A competitor who is not ready to start as scheduled can be disqualified for the run if there is negligence on his part.

35.5 Crossing the finish line upside down disqualifies the run. The boat is considered upside down when the body of the competitor is entirely under water.

35.6 In the team event, failure of all three boats to cross the finish line within 10 second results in disqualification.

35.7 Any competitor or official whose behaviour is detrimental to the good order and conduct of the competition may be disciplined by the Chief Judge.

Notice of this must be referred to the Competition Committee, who may after repeated action by the offender, disqualify him for that competition.

CHAPTER IV - SPECIAL RULES FOR SENIOR WORLD CHAMPIONSHIPS

CHAPTER V - SPECIAL RULES FOR JUNIOR WORLD CHAMPIONSHIPS

37.1 PURPOSE

[GR]

In order to extend the practice of Wildwater Canoeing Championships for Juniors will be held in every two (odd) years.

37.2 ORGANISATION

[GR]

Championships for Juniors may be arranged only with the consent of the ICF Board of Directors. Junior Championships are open for competitors from all continents, however only for National Federation-members of the ICF. Junior World Championships are to be conducted every two years in each ODD year at the time and place agreed upon by the ICF Board of Directors and in accordance with ICF rules. Charges may only made in the contract between the ICF and the organising Federation.

A valid World Championships is held only if six (6) Federations from at least three (3) Continents start overall in the competition. At the World Championships an individual or team event cannot take place unless competitors from at least six (6) Federations start in the events. If during the course of the event some Federations drop out do not finish, the validity of the Championships is not affected.

37.3 PARTICIPATION

[GR]

At the World Championships, a Federation is entitled to enter up to six (6) boats in each category. There may be no more than four (4) boats in each individual event. In the team event only one team is allowed per category. The team event is allowed in both the Classic and Sprint races.

37.4 AGE LIMITS

[GR]

The first year a competitor can compete in a Junior World Championship is the year that his 15th birthday

falls in and the last year he may compete, as a junior is the year that his/her 18th birthday falls in.

37.5 CATEGORIES/ K1M, K1W, C1M AND C2M [GR]

37.5.1 Individual Classic Events:

Women	K1

Men	C1
Men	C2

Individual Sprint Events:

Women	K1
Men	K1
Men	C1
Men	C2

37.5.1.1 A competitor may only participate in one single individual event in Classic races and one single individual event in Sprint races.

37.5.2 Team Classic and Team Sprint Events

Women	3xK1
Men	3xK1
Men	3xC1
Men	3xC2

37.5.2.1 Teams may only be comprised of competitors who are participating in individual events.

37.6 START ORDER [TR]

37.6.1 The course at Junior World Championships will consist of a course for Wildwater Canoeing Classic and a course for Wildwater Canoeing Sprint. The course for the Classic team event is held on the Classic course. It is allowed to have a shorter course within the Classic course with new start and finish points. The course for the sprint team event is held on the Sprint course. The Classic Races will take place before the Sprint Races.

37.6.2 At Junior Wildwater Canoeing World Championships, the start order for the Classic Non-stop run is the reverse order by Federation of the results of the previous Junior Wildwater Canoeing World Championships in Classic.

Federations which did not participate at the previous Championships will be placed at the start of the list.

Entries from Federations must therefore rank their entries in each category so that the organiser can allocate them to the correct starting positions.

The start order for the Sprint run is the reverse order of the results of the Classic Race. Federations which did not participate at the previous Classic Race will be placed at the start of the list.

The starting order for the Team events will be the same method as for Senior World Championships.

37.7 ENTRIES

[GR]

Entries for a Junior Championship can only be made by National Federations and in agreement with the conditions listed in the invitation. The inscription form must include forename and family name, sex, date of birth, and name of the competitors' Federation. Before the competition the Team Manager has to present an official document such as a passport, identification card that includes a photo, for age confirmation purposes of the competitors.

[TR]

Each participating Federation should provide at least one I.J.C.W.W. holding a valid card.

37.9 BULLETIN

[TR]

A Bulletin setting out the details for the World Championships for Juniors must be sent out to all Federations 8 months before the start of the Championships.

CHAPTER VI - SPECIAL RULES FOR WORLD CUP COMPETITION

38.1 DEFINITION OBJECT

[GR]

38.1.1 World Cup Competitions in Wildwater Canoeing (WCWWC) are organised every year for the purpose of propagating the sport.

38.1.1.1 One award is made in each of the event: K1-Men, K1-Women, C1-Men, C2-Men, bearing the title ICF Wildwater Canoeing World Cup.

38.1.1.2 The WCWWC normally consists of a series of 6 events in a maximum of 3 continents: 3 Sprint Races, 3 Classic Races in 3 different places. The Fifth and Sixth Races, Sprint and Classic, count as the Final. It is obligatory that they be titled as Finals.

38.2 ORGANISATION

[GR]/ [TR]

38.2.1 Candidatures for World Cup Competitions must be proposed to the Chair of the ICF WWCC before the 1st September of year X for a competition to be held in year X+2, by the National Federations.

By the 1st of January the year before (ie X+1), the calendar of ICF Competitions (WCh and WCup) will be published.

38.2.2 The WWCC selects from the candidates for World Cup participation. These selections are endorsed by the ICF Board of Directors.

38.2.3 These events must be specified as WCWWC in the ICF calendar.

38.2.4 The same competition course may not be used more than three times in succession as a WCWWC.

38.2.5 World Cup Competitions are not valid unless at least 5 Federations start.

38.2.6 The competitions must be conducted in accordance with the ICF Wildwater Canoeing Rules, except as modified herein.

38.2.7 WCWWC are only open to Federations who are members of the ICF.

38.2.8 With the permission of the ICF Wildwater Canoeing Committee, legs of the World Cup may be held on one or several days.

38.3 ENTRIES

[TR]

38.3.1 The Federations may enter up to 6 boats per category to take part in the WCWWC. There will be no team event held.

38.3.2 Entries must be received by 14 days before the respective World Cup Competitions.

38.4 THE COURSE

[TR]

38.4.1 The course must be approved by a simple majority of the team Managers present.

38.5 START ORDER

[TR]

38.5.1 The establishment of the start order in each category for the first WCWWC must be in reverse order of the previous years World Cup ranking. Competitors not on the World Cup Ranking List will start before World Cup ranked paddlers in reverse order of the previous year World Ranking List with any other paddlers with no ranking, starting at the beginning of the list.

38.5.2 The starting order for the following WCWWC is the reverse order of the current World Cup Ranking.

38.5.3 Timing

38.5.3.1 Timing at World Cup Sprint events must be carried out both by a photoelectric system and stopwatch. In any case the body of the competitor must be used to both start and stop the clock (see rule 29.1).

38.5.3.2 In the calculation of results, photoelectric system has priority. In the event of failure of the photoelectric system the backup times are used.

38.6 ICF OFFICIALS FOR WCWWC [TR]

38.6.1 The WWCC nominate 1 ICF Delegate for each of the WCWWC events.

38.6.1.1 The travel expenses, room and board of the delegates of the ICF are paid by the organising Federation.

38.7 DUTY OF THE ICF OFFICIALS [TR]

38.7.1 The delegate of the ICF supervises the competition.

38.7.1.1 He has the right to attend and vote at all meetings.

38.7.1.2 He must, in co-operation with the organisers, oversee the production of the current World Cup results.

38.7.2 After each WCWWC the delegate of the ICF must submit a report to the ICF Secretary General and to the Chair of the ICF WWCC concerning the sporting nature of the competition.

38.8 AWARDING OF THE WORLD CUP IN WILDWATER CANOEING [TR]

38.8.1 On the basis of the final results of each of the WCWWC, the Cup ranking in each category is established.

38.8.1.1 Each of the participating competitors receives points in the WCWWC as follows:

K1 Men - 1st place 100 points, 2nd place 95 points, 3rd place 91 points, 4th place 88 points, 5th place 86 points, 6th place 85 points, etc.

K1 Women, C1 Men, C2 Men, - 1st place 50 points, 2nd place 46 points, 3rd place 43 points, 4th place 41 points, 5th place 39 points, 6th place 38 points etc.

38.8.1.2 After all the competitions are concluded, the final ranking is established by adding together the best four results whether the competitor has competed in the finals or not.

38.8.2 The competitor with the highest total points is the winner of the World Cup in his category.

38.8.2.1 In the event of a tie in the final ranking, higher ranking is given to the competitor having the best result in the finals.

If there are two races at the final of the final of the World Cup, then the best results is produced by adding together the result of the two races.

38.8.2.2 If there is still a tie, the higher ranking is given to the competitor with the best result in the first four races prior to the finals.

38.9 AWARDS

[GR]

38.9.1 The following awards are furnished by the ICF.
5 Cups for individual categories

38.9.2 Medals or prizes must be awarded to the top 3 competitors in each category at each competition.

38.10 CLOSING CEREMONY

[TR]

38.10.1 The final results must be announced and the World Cups awarded in a manner according to the statutes concerning ICF-Competitions.

38.11 WORLD RANKING

[TR]

38.11.1 The objective of World Ranking is to establish a ranking system for top athletes in Wildwater Canoeing.

38.11.2 Ranking points will be given at World Championships, World Cups and International Competitions (maximum of 13 events in all) selected by the ICF WWCC. A ranking is given in all categories.

38.11.3 The results will be obtained by a computer programme produced by the ICF WWCC which will be given to the organisers of the designated events. The organiser must send the current world rankings to the World Ranking Manager at the latest by the day after that competition.

The results will be distributed after each race. The final World Ranking of the season will be made by the end of November after the World Championships or the World Cup Finals. Any organiser not submitting the results to the ICF WWCC may have the competition eliminated from the following year's calendar.

38.11.4 The World Ranking is taken from the best three results of each competitor during that year. The following point system will be applied:

EVENT	MAXIMUM POINTS	MINIMUM POINTS
World Championship	1000	500
World Cup Race	800	300
International Races	500	100

Points are given based on the results of the athletes. The winner receiving the Maximum points and 10 points are deducted for each subsequent position on the results.
